## WELCOME TO 2021

Welcome to the 2021 School year. A special welcome to the 47 new students and their families commencing with us this year.

A reminder that you can collect your child's stationery pack from their classroom and purchase uniform items next week from Wednesday 27<sup>th</sup> of January. If you are unable to come in, your child will be given their stationery on the first day of school. Your child's stationery items will be invoiced to you, however we do ask that uniform items be paid for when you collect them.

Term 1 commences on Monday 1<sup>st</sup> February. We will be holding an Opening Chapel Service in the school gym, but again, due to COVID-19 restrictions it will be slightly different. **New families** to the school are invited to attend this service at 8:45am and we hope that our current families understand these circumstances.

Currently COVID restrictions remain the same as last year, with us being asked to minimise the number of adults on site and social distancing rules amongst adults need to be adhered to. **PLEASE** keep this in mind when entering the school or, if absolutely necessary, when entering your child's classroom. Visits need to be brief.

It is expected that early in the year each school will receive it's own COVID QR CODE. We will inform you as soon as the government puts this in place. It is possible that some restrictions may change following this but that is still unclear at present.

We hope that you have all enjoyed the holiday break and we look forward to the 2021 School year commencing.

Regards  
**David Field**  
Principal
