This Week's Message

GOD SHAPED HOLE

How many people do you know who cannot park a car in their garage? For a very long time after moving into our previous home our garage was full of boxes, our Christmas tree, tools, lawnmower, toys and other miscellaneous stuff, but garages are made for cars. That's how they are designed. That's what gives the garage its purpose. Sadly we often fill them up with all kinds of other stuff that they were never designed to hold.

The same thing is true in our hearts.

Eph3:16-17a it says, "I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith."

Our heart was made to contain God, but when we fill it with worry and stress and guilt, we leave no room for God.

Your heart may even be crowded with good things such as, family, work, sports or hobbies, but they were never designed to take first place in your heart. In fact, we can even be serving God or working for God and still miss God. Good things do not have the power to hold your life together when the heat is on, only God has that ability.

Now is a good time to de-clutter, do a spring cleaning of your life, so to speak.

So, what things are more important than God in your life? In other words - What do you think about the most? The answer to that reveals who or what has first place in your heart.

Remember Matthew 6:21,

"For where your treasure is, there your heart will be also."

Jesus showed us his heart. He left Heaven, became one of us and then took our punishment on the cross. He treasures you and died for you. Does he have the place he deserves in your heart?

FROM THE PRINCIPAL

Last week we had our School Formal which was one of those very proud 'first moments' for our school. It was held at Barley Stacks Winery with a full attendance of our Year 12 cohort as well as our Year 11's who obtained their SACE in 2022. The format which included parents of our graduating class worked really well and is likely to be a continuing feature. Best wishes to these students as they enter their last 7 contact weeks of school before study leave for exams.

Book Week yesterday was a massive success with students participating fully in the opportunities it presents. The large number of supporting parents to see the parade really added to the atmosphere. The school was certainly buzzing. Thanks to Mrs Jacki Schulz for planning the day and our student helpers Tash Zoumis, Olivia Fazzari, Jude Howarth and Brodie Alderman for their involvement in running the morning. As always the support from our families who helped with costumes and props made this another memorable day.

Special thanks to all the community members who supported and attended the Quiz night on the 12th of August. We were blown away with the Auction items and the wine donations which enabled us to raise over \$7,000 - Thankyou! Congratulations to the "It's Cold Outside" team who won the night. There were some great dress up themes as well and it was a whole lot of fun for all involved.

NEEDING VOLUNTEERS AT BREAKFAST CLUB

At MLS we have a free breakfast club before school for students on Mondays, Tuesdays and Wednesdays, offering hot Milo, fresh fruit and toast. As we are offering more food to more students, we are in need of some extra hands to help out.

We would love it if your family (parents/carers and students) could come and help once or twice a year (more often always welcomed). Helpers arrive before 8.15am and are finished by 9am.

Can you please email tenille.chambers@mls.sa.edu.au or leave a message at the front office with your interest and what days you could be available.

Thankyou to our families who have donated fruit. Excess fruit from fruit trees is always welcome and greatly appreciated by our students!

WANTED – PLANTING POTS FOR SEEDLINGS

At School our students are transplanting seedlings from our greenhouse and are in need of plastic garden pots. If you have some spare pots at home or would like to donate some please drop them into the school office. Many Thanks

STAGE 1 LEGAL STUDIES

On Wednesday of Week 4 our Stage One Legal Studies class had the opportunity to visit the courts in Adelaide in preparation for their upcoming 'Mock Trial' assessment, where the students each take on the persona of a judge, lawyer, witness or accused in a fake traffic violation case. Students had the chance to see summary cases in the Magistrates Court, including minor traffic violations, as well as minor indictable offences in the District Court, including aggravated robbery. They were able to observe the proceedings and trial processes, learn about courtroom etiquette and see how lawyers, judges and sheriffs dress, speak and act. The students were particularly impressed with the architecture of the buildings, and of course with the judge's wigs.

CARE CORNER

School families in our prayers for week 5 & 6 are: Sebastian, Evalyn & Elijha McWaters, Tyler & Sophie Mills, Amelia Moloney, Chloe, Jasmine, Daniel & Lauren McIntosh, Emilie & Lachlan Nash, Daniel, Naomi & Joshua Oyewumi, Taite Pridham, Arlo & Jett Pedler, Harriet, Oscar & Amelia Parsons, Indie & Ava Parsons, Matilda & Tyler Patching, Tahlia & Aiden Phillips, Chelsea Phillips & Finnegan Parker.

"Jesus replied: 'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.'"

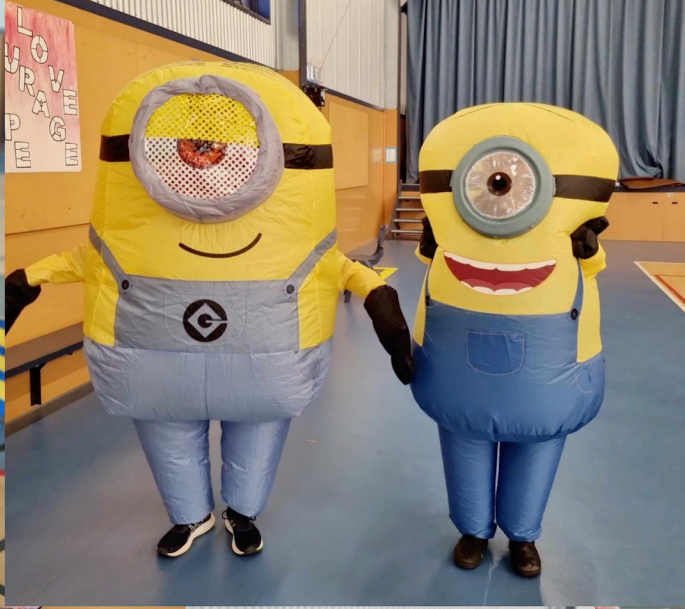

Congratulations!

Well done to our students who entered work into the Grounded Art Festival.

Special mention to Kate Mahar who came second in the senior school section winning \$100 and sold her work for \$75.
Ava Parsons' work was highly commended by the judges in the primary section.
Violet Cooper sold her work for \$50.
Sophie Mills sold her work for \$100.

BOOK WEEK PARADE

Thanks to the Year 11 & 12s who did a great job helping to run the morning- Tash, Olivia and Jude with the parade and Brodie with the sound and music.

YEAR 4/5 – POETRY & ANTHEMS

This term, the year 4/5 class have been exploring poetry and anthems. They have been working hard on analysing, planning and producing a variety of poems; focussing on poetic devices such as, repetition, similes, rhyme, assonance, imagery and alliteration. Individually, or in groups; they have created some MLS Anthems that go along to the beat of AFL anthems and/or songs they like. They have done an amazing job! Check them out!

MLS

Our school is the school of joy
We've educated them all since 1966
We are respectful, kind and nice
To all we love, especially our christ.

We have 300 or more,
As soon as you open the door
Smiles of joy, leave you wanting more
We would never ignore anyone, young or old
Our school is bold to old as we hold the gold.

Beyond the navy blue everything you hear is true.
So come into MLS soon
Come and pick up your kids in the afternoon.
To listen to their wonderful day.
Hip Hip hooray.

MAITLAND LUTHERAN SCHOOL

WE'RE THE SCHOOL FOR YOU

We're the pride of Yorke Peninsula,
We're known as MLS,
Our education is stronger than all the other schools,
And respect students with our rules,
Our school was founded in 1966,
Student determination shows,
We're the pride of Yorke Peninsula,
We're the educational freaks

We give our best from class to class,
Where the Christianity is spread,
As we receive more and more students,
To expand will be our goal,
Our skills and minds will help us grow, Our education always grows,
We're the pride of Yorke Peninsula, We're the educational freaks.

DRAWING WORKSHOP WITH PAUL RUTTER

As part of Book Week the Year 3,4 & 5's were lucky enough to have a visit from Paul Rutter for a drawing workshop. Paul is an author, illustrator and animator who has produced a series of workshop activity books. Students learnt skills using drawing techniques such as form and shape, line, styles and texture. Paul demonstrates his drawing skills and techniques on a white board while the students follow along.

FOOD & HOSPITALITY

Our Stage One Food and Hospitality class travelled over to Ardrossan last Friday morning to visit 'Wilma's on the Yorke' cafe. The students are currently completing an assignment on Cafe Trends, where they are required to research current trends, then plan, cook and serve a dish that would be appropriate for sale in a contemporary cafe. While at Wilma's, the class were given the opportunity to sample foods, examine the menu and display cabinets, and interview staff regarding their most popular dishes and the reasons behind the cafe's success. We would like to give a massive thank you to Trish and her team for having us in for the morning.
