- 13th Nov - Yr 8 Bounce Trip
- 15th Nov - YP Band Yr1-4 Concert
- 16th Nov - Foundation Transition
- 17th Nov - Yr 1/2 & 2 Excursion to Moonta Railway

This Week's Message

If any of you lacks wisdom, you should ask God who gives generously to all without finding fault - and it will be given to you. James 1:5

A giant ship's engine broke down and despite the attempts of all their mechanics they could not repair it. Eventually a Mechanical Engineer with over 30 years experience was hired.

The Engineer went over the whole engine very carefully from top to bottom testing electrics, compressions etc taking over a day to make his assessment. Finally he returned to his tool vehicle and took out a small hammer and a file and spent 3 minutes tapping and filing. Sure enough when he tried the starter the ship roared back to life.

A week later the Engineer sent his bill to the ship owner. Twenty thousand dollars!!! "What" said the owner, "you did almost nothing - a bit of looking around and a couple of minutes with a little hammer and file. This is outrageous!!!"

"Well", said the Engineer, "the bill goes like this:-

Using the hammer and file, \$30. Knowing where to use them and how much to use them \$19, 950. If I do a job in less than a day it is because I spent 30 years learning how to do that job. You owe me for the wisdom I have gained from the years prior - not the few hours I spent today!"

How lucky are we that we have a God who shares his wisdom with us freely. There is no charge!! Wisdom is about "good sense" and being able to integrate the wisdom that comes from the bible through the Holy Spirit into our lives. The lessons in the bible are free - consider referring to them for direction next time you have a big issue. The answer may be simple - it is just knowing where to look.

FROM THE PRINCIPAL

On behalf of our school community congratulations to all the students, staff and volunteers involved in last night's Musical. A brilliant performance and an amazing opportunity for our students. Well done to everyone. Thanks to the many volunteers who helped our staff and also to our P&F for organising refreshments. We appreciate the extra work of our staff over the entire time of the production.

Our appreciation to Ashleigh Redding for her amazing creation and construction of our sets and props and to Sarah Klopp for the design and coordination of all the costumes.

How fortunate is our school to have the talent of Rebecca Davey who Directed the musical and brought it to life as a polished and finely tuned performance. Thank you Bec for your commitment to providing this opportunity for our students.

Finally, thank you to our parents and the community for your strong support and engagement during the performance. An audience of 430 was an outstanding number and again a wonderful experience for our cast to perform to. We are extremely proud of our students and last night was an event worthy of our pride.

Year 12 exams commence on Monday and we wish our students all the best across the two weeks as they complete their final exams. Our Year 5 students head off on their Adventure Camp to Woodhouse and we look forward to hearing about all their experiences on their return.

TERM 4 HAT POLICY

A REMINDER THAT IN TERM 4 OUR SUN SAFE 'NO HAT - PLAY ONLY IN COVERED AREAS' POLICY RETURNS.

STUDENTS WITHOUT HATS WILL REMAIN IN THE UNDERCOVER AREAS DURING BREAKS.

HATS CAN BE PURCHASED FROM THE UNIFORM SHOP FOR \$6

CARE CORNER

*School families in our prayers for week 3 & 4 are:
Jarrod, Jessie & Conrad Buckskin, Chloisha & Kimberley Dare, Patricia Rankine, Ernie & Beryl Wilson, Lily & Keely Wildash, Kitty Wilson, Hayden & Jordan Thompson, Cody Taylor, Sam Thomas, Hugo Thyer, Rhegan Towers, Ava & Conner Turley & Ivy Tucker.*

As we enter the harvest season we pray for all farmers in our community. We hope their efforts throughout the year are rewarded with a plentiful and smooth harvest.

HAPPY BIRTHDAY

Hamish - 3rd Nov
Tyson - 3rd Nov
Cody - 6th Nov
Taijæ - 7th Nov
Liarna - 12th Nov
Max - 14th Nov
Nate - 14th Nov
Rory - 16th Nov

Donations for End Of Year Student Awards

We would appreciate any monetary donations from parents to go towards our end of year Student Awards. As we now have 3 services where student awards are presented (and different monetary values for each award from \$30 to \$50) awards will not have individual donor names on them, however all donors will be acknowledged in our final school newsletter in week 7. Donations can be made by phoning the school via EFTPOS or directly depositing to the school's bank account. For direct deposits, please use your surname and 'award donation' as the reference.

DATES TO REMEMBER

5TH DECEMBER - YR 6 GRAD ON THE GREEN

7TH DECEMBER - YR 9 RITE JOURNEY GRAD DINNER

8TH DECEMBER - YR 7-11 AWARDS SERVICE 9AM

12TH DECEMBER - FOUNDATION-YR 6 END OF YEAR SERVICE 9AM

13TH DECEMBER - LAST DAY OF TERM, NORMAL DISMISSAL

STAGE 1 OUTDOOR EDUCATION – KAYAKING

On Wednesday the 25th of October to Friday the 27th of October we had our final Outdoor Education camp of the year. We attended Murraylands Aquatics Centre where students were taught the basic skills of kayaking. These skills included different paddling techniques, capsizes and rescues.

On the first day students were thrown in the deep end and started off their kayaking experience with capsizes and rescues. Students all took turns in capsizing their kayaks & rescuing each other. When we returned to our camp students warmed up with a quick shower before having to choose & set up their campsite & organise their dinner.

During this camp students were required to plan & organise their own meals over the 3 days. Breakfasts consisted of cereal and hot drinks. Lunch was predominantly wraps or crackers. For dinner there was a mixture of meals consisting of gyros, burgers, stir fries, wraps & risotto.

On the second day we were blessed with sunny, warm weather which was perfect for our distance paddle. As a group we kayaked 3km from White Sands back to Murraylands Aquatic Centre. Students took turns in leading the group & being front & back markers to ensure we stayed together as a group.

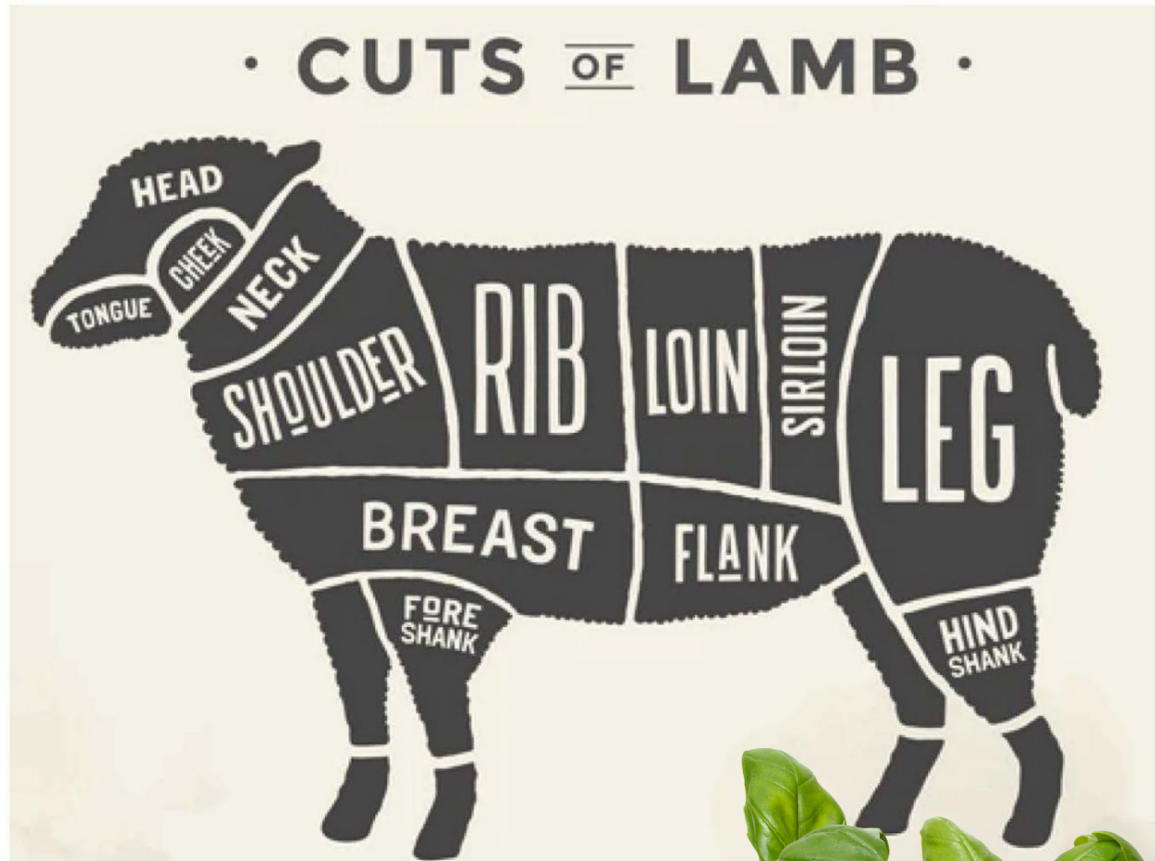

On the last day, the class was lucky enough to be able to choose an additional activity where students choose to have a go at kneeboarding before having to pack up & return home.

SIDES OF LAMB \$150

Phone: (08) 8832 2288 email: agadmin@mls.sa.edu.au

The cuts that will be included in this deal will be loin chops, BBQ chops, shanks, neck chops, chump chops, sausages and leg roast or drunken lamb for \$5 extra. The money that will be made from these lambs will go back into continuing and improving our Ag program. We have raised these lambs over the period of six months. During this time they ate mostly off the land. From the sixth month, the lambs started eating from a feed lot to fatten them up to be processed. Payment can be made by money transfer or cash payment at the front office.

PLANTS FOR SALE

THE YEAR 9 AG STUDENTS HAVE A RANGE OF PLANTS TO SELL. THESE WILL BE FOR SALE UNDER THE COVERWAY AT SCHOOL PICK UP TIME NEXT WEEK. CASH ONLY.

SMALL STRAWBERRY POT - \$3
LARGE STRAWBERRY POT - \$6
HERBS - \$3
(SAGE, DILL, PARSLEY & MINT)

COMING SOON - TOMATOES, BASIL & THYME

THAI SAUSAGE ROLLS

Ingredients

1 slice white bread
175g chicken mince
¼ onion
1 T sweet chili sauce
1 tspn fish sauce
1 tspn brown sugar
2 sheets puff pastry
1 egg beaten
Chicken salt

Method

Preheat oven to 220 C

Place bread into a medium bowl. Pour over warm water to just cover. Stand for 5 mins and drain. Squeeze bread to extract water.

Place bread into a large bowl. Add mince, onions, chili and fish sauce and sugar. Stir until well combined.

Place a sheet of puff pastry on a flat surface and cut in half.

With damp hands mould the mince mixture and roll down the edge and use the beaten egg to glue the edge, using a pastry brush and on top and season with chicken salt.

Cut each section into 4 even pieces and place on tray lined with baking paper.

Bake for 15 to 20 mins or until golden brown.

5/6 SAPSASA BASKETBALL COUNTRY FINALS

On Friday in week 1 the Year 6 girls went down to play in the SAPSASA Country basketball finals at the new Wayville Stadium in Adelaide. We played in Division 1, playing 3 games in the minor round and winning all of them. We then went on to play finals, playing the semi final against Kadina Memorial School. We tried really hard and ended up beating them 24-5. We then went on to play in the Grand Final against Saint Anthonys. The game was very tough and we managed to come back in the last half and only lost by 6 points, losing 18-12. It was a great experience. We tried really hard and coming second was a great experience for all of us and we would recommend everyone else to have a go and play. We would like to thank Mrs Koch for scoring and Mrs Davey for coaching us.

Written by Summer, Maddie, Jayme, Grace, Maysie, Ava, Mikalah and Matilda.

EARTH AND BEYOND

In Integrated Curriculum, the Year 4 and 4/5 classes investigated the topic Earth and Beyond.

For homework, students completed a project where they applied their knowledge of what they learnt in our Integrated Curriculum lessons to create their own 'new planet' discovery.

Students had to create new information for their 'new planet' and present this in their chosen way. They next created a visual representation of their 'new planet'.

It's been great to see the student's creativity and ideas come to life.

Miss Schwartz & Miss Lukong

MEG

MCFINKLEBOTTOM VIRUS

McFinkleBoTtom Virus is the size of a golf ball and has one crater on it called the Sea Crater. Everyone on there only likes the colour purple and orange. They love having parties and they walk on stilts.

LUCYANNA

PLANET RED HEARTS

The planet is completely covered in red hearts and the only colours seen here are red, pink and purple. It is 2cm bigger than Earth and the sky is white.

ZARA

PLANET ZEEKY

The planet has lots of unicorns, rainbows and flowers. It is 3 times the size of Jupiter and has 3 moons.

SAM

PLANET SAMU

The water is pink on Planet Samu and there are dinosaurs and rainforests. There is only one man who lives on the planet and his name is Sam. He was named after Sam Meaney

PLANET PHONIX

The planet is blue and has purple clouds. It has a moon called Ari and has its own solar sytem. It is 10 times bigger than Earth.

HUDSON

FINAL WEEK FOR YEAR 12'S

The Year 12 class had fun in their final week coming to school with a different theme each day. Themes included - bringing your things to school in something other than a bag, gender bender, throw back Thursday and iconic characters.

What is Play Therapy?

Play is the natural language of children and toys are their words.

Child Centred Play Therapy is a humanistic/relationship-based approach, working therapeutically with children using the child's preferred communication.

Play Therapy is an intervention approach for children aged 2-12. Older children may be considered.

The Play Therapy model used is Child Centred Play Therapy, meaning that during our sessions the child is in complete control of the play.

Children may not have the verbal knowledge and emotional regulation to express their feelings through words but they can 'play out' those feelings.

What areas of difficulty can Play Therapy support?

- Trauma
- Aggressive and Oppositional Behaviours
- Speech and Language Delays
- Attachment
- Anxiety
- ASD
- Developmental Delays
- Social Difficulties
- Grief and Loss
- Fears
- ADHD
- Self Esteem issues

What changes can you expect with Play Therapy?

Through the process of discovery children learn to develop:

- Self-respect
- Responsibility
- Problem solving and resolution skills
- Self-control and self-direction
- Self-regulation
- Social skills
- Greater self-esteem
- Confidence and resilience
- Choice making
