# This Week's Message

***For this reason the Father loves me, because I lay down my life that I may take it up again! No one takes it from me, but I lay it down of my own accord. I have authority to lay it down and I have authority to take it up again. This command I have received from my Father. (John 10:17-18)***

***Last weekend was some of the most beautiful Autumn weather we have experienced in a long time. I am sure for many it was a welcome break from the busy start to 2024. For many though it was also an opportunity to reflect and the reading above is an excellent one to reflect on.***

***Jesus expresses here his absolute willingness to lay down his life to die. In this reading he makes it clear. The question is why would he be so prepared to die? The answer is obvious. It is because of a great and deep love for each one of us. There is no question he willingly chose to embrace suffering and death. It was a choice made with conviction. What that says is Jesus meant it and he embraced it.***

***There is no doubt Jesus had many opportunities to avoid or escape being arrested and taken to the cross. He was aware there were enemies pursuing him and plotting against him yet he didn't run. Even at his actual arrest he wasn't completely cornered and he had friends ready and prepared to defend him. He however willingly chose to be taken to die, to spell out to the world "this is what I really want to do."***

***Sunday morning completes the story of what Jesus wanted to do and achieve. His coming to life again shows this power. His message is come to me all you sinners who need a saviour and I will forgive you and love you for ever for I have power over death. A beautiful message to reflect on over a beautiful weekend.***

# FROM THE PRINCIPAL

*All families should have received an emailed survey that is part of the strategic planning process our school will be engaging in over the remainder of this year. Some of the data from this survey will be used to inform the planning we will be doing for our school for 2024 to 2028 - the crucial next 5 years. These surveys close next Tuesday (April 9th). I encourage all families to fill in these surveys as their way of partnering with us in our planning for our school.*

*Parent / Teacher interviews are being held next Tuesday and Wednesday evenings. We respectfully ask that all parents are on time for these meetings as there is considerable impact if they are not kept to the allocated time schedules. Unfortunately, if families are late, the meetings will be shortened to fit the allocated time. Please make sure you know where your meeting is held. All secondary P/T Interviews are held in the school gym, and all primary interviews are held in your child's classroom. Your cooperation in assisting us to hold these vital conversations on your child's progress are appreciated.*

*Congratulations to our many athletes on the outstanding results at our Yorke Peninsula Secondary and Primary Interschool Carnivals. Our Primary students winning their day and our Secondary students finishing second in their carnival. Congratulations also to the many students who then competed at Mile End in the State competition. There are some outstanding results from this featured in the newsletter.*

*Thank you to Ashleigh Redding who coordinated our students participating in the Ardrossan Art Festival over the weekend. Well done to Rafael Emery on receiving a second prize in his division and Sophia Hickman on receiving an encouragement award.*

*It has been an extremely busy term loaded with sporting events, extra curricular events and camps. I thank parents for partnering with our staff to ensure these events run smoothly. We look forward to our 'Autumn Fest' event next Thursday evening at the Yorke Valley Hotel, Beer Garden from 5:30pm. A fantastic opportunity for our music students to perform live. This is a free event, all are welcome, featuring our Big Band, Senior Band and Senior Vocal groups.*

*For the upcoming holidays, we pray for safe travels for those travelling, and that everyone enjoys a restful term 1 break.*

*Winter uniform is to be worn for Terms 2 & 3. There is a two week changeover period at the start of term 2 for the wearing of either uniform dependent upon weather conditions.*

*Please email your uniform orders to [uniforms@mls.sa.edu.au](mailto:uniforms@mls.sa.edu.au) and your order will be sent home Wednesdays and Thursdays.*

# PRIMARY ATHLETICS

*On Friday the 22nd of March we had 32 Maitland Lutheran School students head down to Minlaton to compete in the SYP Primary Interschool Athletics Carnival. Students competed with great sportsmanship across all events they participated in. Our school had a very successful day with students gaining some personal best results and winning some individual events. As a school we won the Championship Shield for the carnival which is a great achievement for all students involved. The winners of these events will now go on to represent the SYP in the SAPSASA Athletics Championships later on in the year in September. Thank you to Mrs Jo Davey, Miss Chelsea Homan, Mrs Vicki Whittaker, Mr David Field and Ms Coles for all their help in getting the day to run so smoothly.
